CHARACTER OF SERVICE STATEMENT

SUBJECT: SPC Snuffy Smith

To Whom it May Concern:

SPC Snuffy Smith has been a Soldier in my unit since June 2014. During this time, I have been able to observe several of the outstanding traits this Soldier possesses. Leadership, honor, sense of duty, strong work ethic, are just a few. SPC Smith always accomplishes tasks that are assigned to him. His sense of pride will not allow him or his peers to fail at a mission.

I have no doubt that SPC Smith will be successful working in the AGR program. He is a very hard worker and can work independently with little or no needed supervision. I strongly recommend him for any position within the AGR Program.

POC for this recommendation is the undersigned at 123-456-7890
